# An Invitation from the Chief

You are cordially invited to be a part of Arlington's National Night Out on Tuesday, October 4, 2011.

Participating in this year's National Night Out strengthens neighborhood spirit and police-community partnerships. Attending a block party allows you to get to know your neighbors. It also lets criminals know that the Arlington community is well organized and fighting back against crime.

On October 4, neighborhood block parties across the nation will bring residents together to talk about safety and crime awareness. Together, we will send a strong message to criminals that crime is not welcome here in our City!

This year, we continue an initiative of giving back to the community, by collecting new and packaged socks and underwear to benefit families served by our partners at Mission Arlington. These items can be dropped off at any Arlington Police Station.

**Save the date. National Night Out is Tuesday, October 4, 2011.**

The Arlington Police Department is counting on residents from all over the City to come out and celebrate the night against crime together!

The benefits you will derive from this event will extend well beyond this one night. Turn on your porch lights. Plan a neighborhood event. *Cheer on your Texas Rangers in their quest to become World Champions!*

To get started, visit [www.arlingtonpd.org](http://www.arlingtonpd.org) and click on the National Night Out logo. Be sure to register your event and a public safety official from the Arlington Police Department or Fire Department may be able to visit your event.

Working together, we can make Arlington's neighborhoods safer!
